

Traffic Management Operatives

HAMPSHIRE DEPOT

Hooke Highways Ltd are looking to recruit Traffic Management Operatives to work from their Hampshire Depot.

Hooke Highways Ltd is a progressive independent Traffic Management business based in the South of England, offering a wide range of traffic management schemes and expertise. Using the latest technology (EVO series Pike system and Hollco Traffic Systems) to help to keep traffic disruption to a minimum, we provide professional and safe Traffic Management systems and are ISO 9001, Achilles and Acclaim accredited.

This is an excellent opportunity to be part of a fast growing business who are continually up-skilling their workforce to the highest qualifications and safety standards.

Successful applicants will enjoy the benefits of overtime rates for unsociable hours, additional overtime rate for weekend, works vehicle, pension scheme and operatives bonus scheme.

Duties include:

- Set up and close down temporary lights including 2-way, 3-way, 4-way and UTC Multiphase System
- Stop & Go services
- Traffic Marshall responsibilities
- Support/ lead lane closures for dual carriageways
- Set up road closures and diversions
- Provide full site maintenance
- Complete relevant weekly paperwork including time sheets, vehicle checks, etc

The ideal candidate must:

- Be within 1 hour travel time from PO16 postcode
- Hold a Lantra M1/M2 tickets or Streetworks Unit 2 minimum
- Hold a full UK driving license
- Have a proven record of being reliable, punctual and hardworking
- Be willing to be on call as part of a rota system

Rates of pay dependent on TM experience and qualifications are outlined below:

- Streetworks: £8.50-£8.75 per hour
- M1/M2: £9.00-£9.50 per hour
- M1/M2 and M5: £9.50-£10.00 per hour
- M1/M2, M5 and M6: £10.25-£11.25 per hour
